Vol. 4, No. 1

January 1994

of Pennsylvania

*O God, you made us glad by the
yearly festival of the birth of
your only Son Jesus*

*Christ: Grant that we,
who joyfully receive him
as our Redeemer, may
with sure confidence
behold him when he
comes to be our
Judge; who lives
and reigns with
you and the
Holy Spirit,
one God,
now and
for ever.
Amen.*

Holy Spirit is off and running!

The mission Church of the Holy Spirit held its first service on December 5 in a storefront in the Harley Commons Shopping Center, Harleysville. The enthusiastic spirit of those present was gratifying and exciting to the Rev. Anne Ritchings, Organizing Pastor, and all those who have worked for many months to "give birth" to the new congregation. All are invited to attend services, held at 10:30 a.m. each Sunday, with church school for all ages preceding at 9:30. Child care is available during church and worship. For more info, call Ritchings at 723-3966.

Violence is Lenten theme (watch your mailbox...)

A resolution passed at the November Diocesan Convention calls on congregations to study violence and the Church's response during the 1994 Lenten season. Members of the Advocacy, Service and Justice Commission, which sponsored the resolution, are preparing materials on this theme which will be shared with parishes. For more on this, see also articles in the January and February issues of *The Pennsylvania Episcopalian*.

We say "hello" & "good-bye"...

In January the Rev. Dr. Robert Carlson retires from his position as Deployment Officer and Bishop's Assistant for Ministry [see the interview with him in the January issue of *The Pennsylvania Episcopalian*]. Replacing Bob is the Rev. Melford (Bud) Holland, previously Rector of St. James', Perkiomen.

The Rev. Ruth J. Hindley, Deacon at Trinity Memorial, Philadelphia, joins the staff as Director of Diaconal Ministry in January. This nonstipendiary position includes assisting with recruitment for the School of the Diaconate, working with diaconal students going through the ordination process, and advising on placement of deacons. (The Rev. Peyton Craighill continues as Director of the School of the Diaconate.)

Mary R. Craighill, Director of Children's Ministries at St. Martin-in-the-Fields, Chestnut Hill, has been appointed Diocesan Coordinator of the Education for Ministry program of theological education for laity. She replaces Alan Lindsay of St. Paul's, West Whiteland. (For more information on EFM, which meets in parishes throughout the Diocese, call Craighill at the Christian Education Resource Center, 387-7748, or her home, 667-9298.)

On January 14, Lois Sibley will leave her position as Administrative Assistant at the Christian Education Resource Center. She plans to free-lance as an editor of religious books. "Lois' contribution to the CERC and the Education Center has been one of sustained high quality. Her ministry will be very much missed," said Helen White, Director of the CERC.

Persons interested in Sibley's position are asked to send resumes to Helen White at the Christian Education Resource Center, 3725 Chestnut St., Philadelphia, PA 19104. Qualifications include word-processing skills and office management experience. Interacting with visitors and volunteers at the CERC is also an important aspect of the position.

Around the Diocese

'95 budget discussions begin in January

If you were designing the diocesan budget, which ministries would you include? As the planning process for '95 begins, the Program Budget Committee seeks input from clergy and laity on what programs should receive priority when allocating diocesan funds.

Parish clergy, rectors' and accounting wardens, and other key lay leaders are among those especially urged to attend "**Mission & Ministry '95**," a program planned for Tuesday, **January 25**, 7:00-9:30 p.m., at St. Mary's, Cathedral Road, in Philadelphia.

Attendees are invited to gather at 7 p.m. for dessert and conversation with the Bishops, diocesan staff, and other invited guests. The program will begin promptly at 7:30 with brief presentations on key sections of the diocesan budget, followed by a small group exercise that promises to be both entertaining and educational.

Data generated at the meeting will be shared with Program Budget for consideration as they begin planning for 1995.

Invitations to the January 25 event will go directly to clergy and key lay leadership, but anyone in the Diocese is welcome to attend. For more information, call the Communications Office at Church House, 627-6434.

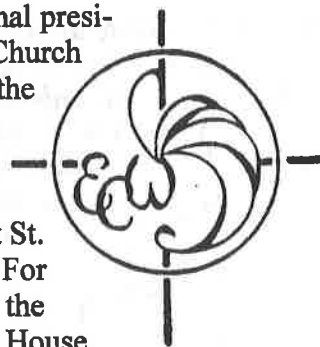

PRIDE meetings

PRIDE, the clergy association of the Diocese, will meet on **January 26** and **February 22** at the Cathedral Church of the Saviour, 3723 Chestnut St., Philadelphia. Featured speaker at the January meeting will be **Kathryn M. Rossé**, the new Director of Clergy and Clergy Family Support. The meeting begins with a brown-bag lunch at noon, followed by the business session at 12:30.

The Rev. Melford (Bud) Holland will be the speaker at the February 22 meeting. Holland is the new Clergy Deployment Officer/Bishop's Assistant for Ministry. Times are the same as the January meeting. Please come and get to know these two new members of the Bishop's staff.

National ECW President to speak here

Ginger Paul, national president of the Episcopal Church Women, will speak at the Annual Meeting of the Diocesan ECW on Tuesday, **January 25**, 9:30 a.m.-3:30 p.m., at St. Paul's, Chestnut Hill. For more information, call the ECW office at Church House, 627-6434.

ECS Sunday

Episcopal Community Services Sunday is scheduled for **January 23, 1994**. As the human services agency of the Diocese, ECS ministers to over 5,000 economically deprived clients

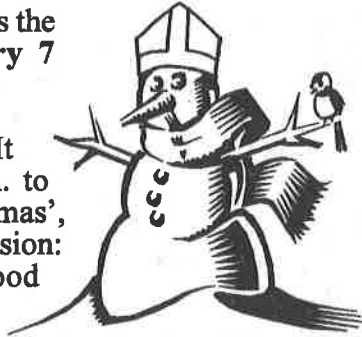

each year, including medically needy, abused and neglected children; frail elderly; people with AIDS; families struggling with poverty, housing problems and substance abuse; and people in prisons and nursing homes. ECS Sunday posters and brochures are available. If you would like to receive a copy of the new ECS video or have an ECS staff person speak at your parish, call Sara Purdom, 351-1462, or Martha McDonald, 351-1466.

"**Seeking Servants**," a project involving diocesan youth and clients of Episcopal Community Services, was a big success. Youth from several congregations came together on a November weekend to perform tasks that included interior painting, cooking meals to be delivered to persons with AIDS, and delivering Thanksgiving baskets. Another service weekend is planned for the spring. (Parishes interested in similar projects are encouraged to call Christina Groner, Director of Volunteer Services at ECS, 351-1477.)

Absalom Jones service is Feb 12

The annual diocesan observance of Absalom Jones Day is set for Saturday, **February 12**, 10:30 a.m., at the Cathedral Church of the Saviour.

Guest preacher at the celebration of Holy Eucharist will be the Rev. Jeffrey N. Leath, D.Min., pastor of Mother Bethel AME Church in Philadelphia.

The choice of Leath as preacher is significant, because his church, Mother Bethel, was founded by Richard Allen, a former slave, in 1787. Allen and Absalom Jones, also once a slave, founded the Free African Society in 1787. The two were leaders in Philadelphia's black community, and also became heroes during the Yellow Fever epidemic of 1793 for their selfless care of many black and white citizens felled by the disease. Jones founded the first black Episcopal church in the country, the African Episcopal Church of St. Thomas, in 1792 and was ordained the first black Episcopal priest in 1804.

ARC Conference is Feb 3

The annual conference of the Addiction & Recovery Committee is set for **February 3**, 9 a.m.-4 p.m., at the Institute of Pennsylvania Hospital in Philadelphia. David Wilems of the Johnson Institute in Minneapolis will be the keynoter, with four other speakers dealing with various aspects of "Parenting for Prevention." Fee: \$40. Severe weather leads to damage at Church House

The unusually cold weather in the third week of January led to burst pipes and water damage at Church House. Bishop Allen Bartlett's office was the most afflicted area, but water damage also occurred in the chapel and a large closet on the first floor. The Bishop has had to move elsewhere in the building while renovations are underway.

"Mission & Ministry '95" cancelled

Due to travel problems in the Diocese and an anticipated snow/rain storm, this program set for Tues., Jan. 25, at St. Mary's, Cathedral Road, was cancelled. A decision on rescheduling will be made shortly, and all congregations will be notified.

Date for PIA assembly changed

Please note that the date for the next Philadelphia Interfaith Action (PIA) assembly has been changed from February 24 to **March 21**. A location has not yet been determined. For more info, call Deborah Wagner, 351-1491.

Help needed for earthquake victims

The Presiding Bishop's Fund for World Relief is accepting donations to assist earthquake victims in the Los Angeles area. Contributions may be sent to the Fund at the Episcopal Church Center, 815 Second Ave., New York, NY 10017. Mark checks "LA earthquake." The Diocese of Los Angeles has set up a relief fund which will disburse contributions through local congregations. Send checks payable to "Bishop's Discretionary Fund" to Earthquake Relief Fund, Episcopal Diocese of Los Angeles, P.O. Box 2164, Los Angeles, CA 90051.

POSTAGE ALERT!

In a move that could drastically curtail church publications, the U.S. Postal Service has proposed that churches and non-profit organizations using Special, Third Class, Non-Profit, or Bulk Mailing Rates **not** get a reduced postage rate if their publication carries material which "advertises, promotes, offers, or for a fee or consideration, recommends, describes or announces the availability of products or services not directly related to the primary work of the organization." This would impact on church newsletters that carry advertising for businesses owned by parishioners. Postage rates would double. To protest this ruling, clergy and lay people concerned are urged to write to Mr. Ernest Collins, Manager, Mailing Standards, Marketing Systems, Room 8430, 475 L'Enfant Plaza West, SW, Washington, DC 202602419. **LETTERS MUST BE RECEIVED BY TUESDAY, FEBRUARY 8.**

Jewish-Christian relations: timely topic

A brochure enclosed with this newsletter outlines events connected with the mid-February visit of Yehezkel Landau, an Israeli Jew working to facilitate understanding between Palestinians and Israelis in his native land. Youth Ministry Notes

"Nightwatch"—March 5-6, 1994—The annual journey of diocesan youth to St. John the Divine in New York City promises to be very exciting and will include a special "HIGH" tour of the upper reaches of the Cathedral. This night is reserved for our Diocese only, and there will be room on the bus for 90 participants. Registration forms will be sent from the Youth Center shortly, and parishes are encouraged to reserve their spaces as soon as possible, since the event was oversubscribed last year.

Applications for a two-year appointment by Bishop Turner to the **Diocesan Youth Council** will be sent out in the beginning of February. Clergy and lay adults should speak soon to any youth they may be interested in nominating. The Council must reflect the Diocese geographically and ethnically—diversity is strongly encouraged.

Rescheduled Events

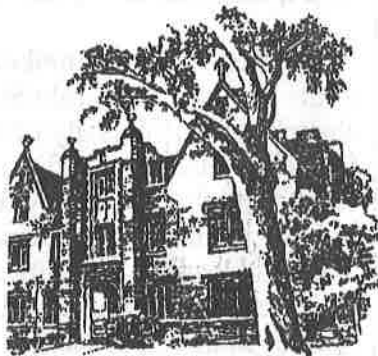

Severe winter weather forced the cancellation or postponement of numerous diocesan events. Some have been rescheduled:

No, not your sweepstakes entry: your parish's pledge to the Diocese. We need every congregation to make its program pledge so that informed decisions can be made about cutting back on spending in the '94 budget.

'94 Convention at Cathedral

The Nov 4-5 Diocesan Convention will be held at the Cathedral Church of the Saviour, West Philadelphia, not at the First District Plaza, where last year's Convention took place. First District was booked for the month of November; while the Diocese could have met there at the end of October, it was decided to save money for diocesan programs that may have to be cut if the '94 budget is adjusted.

Join the Prayer Vigil for General Convention

A national cycle of prayer for this summer's General Convention has been organized by the Anglican Fellowship of Prayer. Each diocese in the Episcopal Church has been given a day to offer special prayers — our day is **May 17**. Bishop Allen Bartlett is urging everyone to participate in the Vigil either in a group or individually. "All of us who represent this Diocese will be particularly grateful for your prayers," the Bishop said in an April 19 letter to clergy.

"Shalom in the City" is camp theme

*I never thought I'd see the day
When things would always be this way
Drugs and war on the street
Everyday someone gets beat
People with no food
Yet people acting like fools
When will people be like me
'cause I want Peace on the streets*

*Thank you
We can make it happen*

Vicki Holland

This poem, written by a youngster who attends St. Gabriel's, in the Olney section of Philadelphia, reflects both the despair many children in our cities experience daily, as well as the hope for a better way. St. Gabriel's and St. Mary's, Philadelphia, are once again offering a summer camp program **June 28-July 1** for about 35 children at Kirby House in the Diocese of Bethlehem. For many of the youngsters it is the first trip out of their inner-city neighborhoods, a chance to enjoy outdoor activities in a rural setting, to pray, study the Bible, worship, and work on community building. Sponsors are needed to help with costs, which run about \$100/person. For more information, contact the Rev. Mary Laney at St. Gabriel's, 215/329-3807, or the Rev. Miriam Acevedo-Naters at St. Mary's, 215/985-0360.

Bishops' health update

Bishop Franklin D. Turner has been diagnosed with prostate cancer. He will receive treatment through a new procedure that minimizes side effects, enabling patients to maintain normal schedules. The cancer is contained, so prospects for a cure are good. Please keep him in your prayers.

Bishop Turner expects to go on a long-planned sabbatical in October-November 1994 and February-April 1995. His plans, still in formation, include study trips to Canterbury, Rome, South Africa, and Puerto Rico.

Bishop Allen Bartlett has recovered completely from a bout of diverticulosis that put him in the hospital for a few days in March.

Both Bishops are grateful for the many expressions of caring they have received from friends throughout the Diocese.

General Convention opens on August 24

The 71st General Convention of the Episcopal Church convenes in Indianapolis August 24-September 2. Sometimes called "one of the largest legislative bodies in the world," General Convention is composed of the House of Bishops (about 225 members) and the House of Deputies (860 members, or four clerical and four lay persons from each diocese). Issues expected to be "hot" in Indy include consideration of the Bishop's Pastoral Teaching on Sexuality; the proposed national church budget with its implications for radical restructuring of staff and programs; and making acceptance of women priests a canonical requirement.

Joining Bishops Allen Bartlett and Franklin Turner at the Convention will be clerical deputies Sharline Fulton, John Midwood, William Fischler, and Rodger Broadley; and lay deputies Jane Cosby, Jesse Milan, Colin Hanna, and John Fryer. Also attending will be clerical alternates Roger Pickering, Jesse Anderson, Nancy Wittig and Larry Snyder; and lay alternates Nokomis Wood and John Lewis.

Deputies will report to the Diocese on September 20, 7:30 p.m., at the Cathedral Church of the Saviour.

From August 23-September 3, you can hear 3-minute reports about General Convention by telephone (95 cents/minute). Reports are updated daily at 6 p.m. Indianapolis time. Call 900/884-8875 (English) or 900/884-8876 (Spanish).

Church fire

Trinity Memorial, 22nd & Spruce Sts. in Philadelphia, was struck by lightning in the early hours of July 28. The resulting fire destroyed most of the church roof and many stained glass windows, but the parish house is usable and Sunday services are being held there at 10:30 a.m. Those wishing to help Trinity with its planned restoration may call 215/732-2515.

Diocesan Convention Update

November 4-5 are the dates of the 211th Diocesan Convention at the Cathedral Church of the Saviour. Note these important deadlines:

Exhibits of diocesan ministries will be given priority, with tables allotted to other groups as space permits.

A Convention reception will be held at 6 p.m. on Friday the 4th at International House, 3701 Chestnut St. (next to the Cathedral). Invitations will be sent to all clergy and lay deputies in September.

CONVENTION SUMMARY

The following resolutions were passed at the November 4-5 Diocesan Convention:

R5: welcoming the clergy and lay deputation of the new Church of the Holy Spirit, Harleysville, to their first Convention.

R6: admitting a new parish, Church of Emmanuel and the Good Shepherd, Kensington, into union with the Convention. The congregation was formed by the merger of two previously-yoked churches.

R7: approving the Articles of Incorporation of St. Christopher's, Oxford, a new parish that had been a mission of the Diocese.

R8: amending diocesan Canon 23 requiring that a priest refusing Communion to any person (or notifying a person of the intention to do so) give that person written notification of, and reasons for, such an action.

R9: amending diocesan Canon 21 to make election of Alternate Deputies to the General Convention a separate election held one year after Deputies are elected. Presently Deputies are elected two years before Convention and the first four runners-up on the last ballot in that election are designated Alternates.

R10: creating a new Standing Resolution on the Unity of the Church which affirms inclusion of all persons in diocesan life, regardless of their stance on divisive issues such as the ordination of women.

R11: urging participation in activities designed to further the intent of the new Standing Resolution, such as prayer, sharing, Bible study and joint outreach between individuals and/or congregations holding differing views on theological and doctrinal issues.

R12: urging all congregations and individuals to undertake a study of the effect of alcoholism and other chemical dependencies on children and participate fully in the annual Alcohol-Drug Awareness Sunday.

R15: establishing a Diocesan Scholarship Fund to support minority students (African-Americans, Native Americans, Asians, Hawaiians and Hispanics) attending seminary. Funding is to be sought from "diocesan funds or other appropriate sources."

R16: calling on the diocesan Committee to Combat Racism to respond to the House of Bishops Pastoral Letter on Racism by developing policies for recruiting, training and deployment of minority candidates for ordained ministry; working on ways to increase the minority membership of the Diocese; and developing programs that enable members of congregations with difference ethnic compositions to learn to know and love one another in Christ.

R17: urging that the Dean, Vestry and Chapter of the Cathedral Church of the Saviour establish a staff representative of the ethnic diversity in the Diocese; and that

each congregation in the Diocese see that its staff is both representative of the community in which it is located and the diversity of the Diocese.

R18: celebrating the 125th anniversary of Episcopal Community Services.

R19: calling on the Bishops and Diocesan Council to initiate a new companion relationship between our Diocese and another diocese in the Anglican Communion.

RA: continuing the Clergy Financial Assistance Assessment at a level of \$60,000 in 1995.

RB: setting guidelines for clergy compensation in 1995.

RBUD-95: approving a \$3,243,338 budget for 1995. Program Budget Chair Arlene McGurk noted a continuing decline in congregational income, saying that next year's budget can only be balanced by a large infusion of funds from diocesan endowments. A clause was added to the resolution calling on congregations that are not pledging to the program budget to reexamine their commitment and consider ways they can help support diocesan ministries.

One resolution was defeated:

R14a, which urged the diocesan bishops to refrain from ordaining "practicing homosexual persons" until General Convention "specifically approves such ordinations."
